**COMPLAINT**

This is an action to recover actual and punitive damages for race discrimination in violation of Title VII of the Civil Rights Act of 1964 and 42 U.S.C. § 1981. The following facts support the action.

1.

Plaintiff FREDRICK GORDON is an adult resident citizen 1692 North Oliver, Brooksville, Mississippi 39739. Plaintiff is a black male.

2.

Defendant VERTEX AEROSPACE LLC is a limited liability company. Defendant may be served with process by service upon its registered agent, Corporate Creations Network, Inc., 232 Market Street, #1600, Flowood, Mississippi 39232. Defendant is in the business of airplane maintenance.

3.

This Court has federal question jurisdiction under 28 U.S.C. § 1331 and civil rights jurisdiction under 28 U.S.C. § 1343, to redress claims arising under the Civil Rights Act of 1964, as amended by the Civil Rights Act of 1991, and 42 U.S.C. § 1981.

4.

In 2008, Plaintiff was hired by Dyncorp to work as a servicer at Columbus Air Force Base, in Columbus, Mississippi. Sometime later, he was promoted to the position of mechanic.

5.

In 2012, L-3/Vertex assumed the contract from Dyncorp, and Plaintiff was later moved to a painter position.

6.

In 2013, Plaintiff retired and left his employment with L-3.

7.

Around September 2017, Plaintiff was hired back by L-3 as a mechanic. Plaintiff's lead man was Chuck Marlin.

8.

Often Marlin would instruct Plaintiff to check an airplane for discrepancies. Plaintiff was not told to fill out any paperwork when doing this at the direction of Marlin. Plaintiff was also assigned his own inspections, would perform them, would complete his paperwork, and sign off on it.

9.

Plaintiff's supervisor was John Callahan. Callahan, as well as Plaintiff's lead man, Marlin, are both white and are racists.

10.

On or about January 7, 2019, Plaintiff was terminated from his employment. Vertex falsely claimed that Plaintiff had falsified documents. Specifically, Vertex claimed that Plaintiff performed a pre-flight inspection that another person, Cynthia Trimble, black, signed as having performed. This was false. Plaintiff neither did the inspection, nor signed that he had. Trimble was also terminated. Other white employees who had been accused of similar acts, and had, in fact, violated Vertex work rules, were not terminated.

11.

The reason that Plaintiff and Trimble, both black, were terminated after being falsely accused of falsifying documents was because of the racism of their supervisor and lead man. Plaintiff has been subjected to discrimination because of his race.

12.

Plaintiff has filed an EEOC charge, attached hereto as Exhibit "A," and received the right to sue letter, attached hereto as Exhibit "B."

13.

The actions of Defendant against Plaintiff have been intentional and malicious, such that punitive damages are due.

14.

Plaintiff has suffered lost income and mental anxiety and stress as a result of Defendant's wrongful actions.

**REQUEST FOR RELIEF**

Plaintiff requests actual and punitive damages in an amount to be determined by a jury, reinstatement, as well as reasonable attorneys' fees, costs, and expenses.

RESPECTFULLY SUBMITTED, this the 14th day of April, 2020.

FREDRICK GORDON, Plaintiff
